March 2020-august 2020

When we first went into quarantine I had mixed feelings about it. I was wondering when I would see my friends and teachers again. It was weird because they helped me. It was weird because I won't be able to see them for 2 weeks, but I was excited because I thought we would not have school. As it turned out we had school, but it was unlike anything I had ever gone

through. September 2020-May 2021 Quarantine was stressful but it was time to get back into school. I was a little nervous and a little happy. The part I was nervous about was meeting new people, seeing new friends, and all the hard work. The part I was happy about was meeting the teachers and seeing the 6th grade teachers along with my friends. The vaccine was on
