

March 2020-August 2020

At first I was amazed we wouldn't be going to school but that started to change when we were not allowed to leave the house. I started relating to the song lonely by Mgc. 'And then we said goodbye way too soon . This doesn't feel right without you lonely lonely lonely without you'.

September 2020-May 2021

At first I was bitter about going back to school and not being able to do anything. I felt like the song Go hard or go home by Wiz Khalifa.' I feel like the sky is falling down ain't nobody here to play around push it to the edge I won't back down One way up one way out I give it all all for the family

June 2021-September 2021

Now I'm confident because I am allowed to hangout with friends and I don't have to wear a mask in most places. I feel like the song It was a good day by Ice cube. 'Just waking up in the morning gotta thank god I don't know but today feels kinda odd no barking from the dog no smog and mama cooked the breakfast with no hog I don't know but today feels like a good day'.

Juice Wrld. So What. My lips to your lips let's get as close as it gets to swollen my eyelids. I 've been crying again. My stress and problems sitting on my chest. Gon' take them away for a sec'. They tell me that I'm too young to love, I need to give it a rest.

Juice Wrld, Empty. From the unknown I ran away. I dont think I'm coming back home. Wow wow wow like a crawl space it's a dark place aint know right way just the wrong way I problem solve with styripome my world revolves around a black hole the same black hole that's in places of my soul i'm empty i feel so God damn empty.

Wiz Khalifa. See you Again. It's been a long day without you my friend and I'll tell you all about it when I see you again. Weve come a long way from where we began and I'll tell you all about it when I see you again when I see you agian. Damn! Who knew all the planes we flew good things we had threw I'd be right here talking to you about another path. I knew we loved to hit the road and laugh but something told me that it wouldnt last. How can we not talk about family when familys all that we got.

Green Day. Boulevard of broken dreams. I walk a lonely road. The only one that I have ever known dont know where it goes but it's home to me and I walk alone I walk this empty street on the boulevard of broken dreams.

Green day. Wake me up when September ends. Summer has come and the incident can never last wake me up when September ends like my fathers come to pass. 7 years have gone so fast. wake me up when September ends.

Green day. 21 guns. Do you know what's worth fighting for when it's not worth dying for does it tak your breath away and you feel yourself sufficating does the pain weigh out the pain and you look for a place to hide id someone break your heart inside youre in ruins one 21 guns lay down your arms give up the fight one 21 guns throw up your arm into the sky you and I. When you're at the end of the road and you lose all sense of control.
